**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We rely on our local broadband service, Sonic.net, for both, all our computing and net access and phone service, and have been very satisfied with service and prices. As retirees we cannot afford the constant gouging and changes with hidden added costs that the main players have been and will surely be serving up. These services are essential to my little independent educational jobs. Keep DSL available, please!
